

# SSA-GO

## TRAVEL FUND

- *SSA-go in simple terms is a travel funding program made available to all SSA Competitors (SSA-Registered Cars) travelling to compete interstate, a one-off payment up to \$500.00 for competitors travelling more than 2000kms by road and for competitors who may wish to travel to and from Tasmania for competition, SSA-go funding is available to assist in shipping across Bass Strait.*
- *Through the circumstances and an unprecedented journey of Covid, the SSA launched this funding program through those times of uncertainties and unknowingly what impact our sport, our association, clubs, tracks and as importantly our competitors would have faced as normality returned to everyday life, a program that could assist our member competitors and tracks as we moved from those times.*
- *Speedway Sedans Australia are excited that the funding program has now been extended beyond the initial three years and will continue into the coming season, with support of Speedway Australia allowing for \$30k made available for the program this year. Applications will open on the 1<sup>st</sup> of August in 2024 and the application form can be downloaded from the SSA website [www.speedwaysedans.com](http://www.speedwaysedans.com)*
